

Bike Switzerland uses Garmin's Extrex Legend and Etrex Venture units. The units snap easily on and off the handlebar mounts. It's rugged, waterproof and sunlight readable.

Hotel Prealpin  
N 46°28.883' E 006°47.092' NE 37.0m

Follow the track straight to your hotel.

You are the black triangle and the blue line is our route.

190  
N 46°34.736' E 007°05.336' NE 52.9m

All turns are marked with flag. Lunch spots, restrooms and points of interest are hard to miss.
