Welcome to Geneva,

Thank you giving you the opportunity to see Switzerland. We can truly promise you the ride of your life !

This welcome bag contains your tour materials: maps, telephone, t-shirt and anything else that you may have ordered.

Bike fittings are scheduled for everyone today. Please refer to the sheet and map behind this page.

Please have everything that need to try give your bicycle a test run: shorts, shoes, helmet, etc.

This evening we will be bringing you to the Geneva wine village of Satigny to discover a local vineyard, taste some wine and to have a lite buffet supper. Be sure to bring a jacket and wear your t-shirt for pictures.

We need to meet in the reception at 18:10 sharp. We have a train at 18:35.

Please make sure to bring your "transport ticket" with you (received free of charge at the reception upon your arrival).

We'll plan to have you back at the hotel before 10 pm for a good night's sleep.

My best,
