Discover Geneva's Wine and Countryside

We'd like to make your first night in Geneva special. After you unpack, we'd like to whisk you away to the nearby wine-village of Russin.

We'll walk through the town to the Domaine des Molards where the Desbaillet family will host us at their farm.

We'll spend the evening sampling Claire Lise's delicious Appetizers, a good many bottles of wine and some delicious salads taken directly from the garden.

Enjoy wine from Domaine des Molards for the rest of the trip during our frequent Bike Switzerland « Apéros » !
